RE: ICE FOIA Request 2026-ICFO-41411

Dear Requester:

This letter concerns your Freedom of Information Act (FOIA) request to U.S. Immigration and Customs Enforcement (ICE), in which you requested records pertaining to a federally owned warehouse in Roxbury Township, New Jersey, including records held by ICE Enforcement and Removal Operations, DHS, and security-service contractors associated with the property.

After carefully reviewing your request, ICE has determined that the records you seek are not under ICE's purview and are not maintained by ICE. Accordingly, ICE is unable to process your request for the records described above.

This request should be directed to the General Services Administration (GSA), which may be the agency/component more likely to maintain records responsive to your request. Please visit <https://www.gsa.gov/reference/freedom-of-information-act-foia> for additional information regarding how to submit a FOIA request to that agency/component.

As the records you seek are not under ICE's purview, ICE has administratively closed your request. This administrative closure does not preclude you from submitting a new request to the appropriate agency/component or submitting a new request to ICE for records that are within ICE's possession, custody, or control.

If you have any questions about this response, you may contact the ICE FOIA Public Liaison at [ICEFOIAPublicLiaison@ice.dhs.gov](mailto:ICEFOIAPublicLiaison@ice.dhs.gov) or (202) 732-2159.

You also have the right to seek dispute resolution services from the Office of Government Information Services (OGIS). OGIS is a neutral office that helps resolve disputes between FOIA

requesters and federal agencies as a non-exclusive alternative to litigation. Please note that if you are requesting access to your own records under the Privacy Act, OGIS does not have authority to handle disputes arising under the Privacy Act of 1974. You may contact OGIS at:
