

U.S. GENERAL SERVICES ADMINISTRATION
Justification for No Practicable Alternatives
GSA Project No. 8CA3614

(b) (7)(F)

1. Project Background and Agency Mission.

(b) (7)(F) is currently located in 10,0033 ANSI/BOMA Office Area (ABOA) square feet of office and related space at (b) (7)(F) under GSA Lease No. GS-09P-LCA03304; a 10-year lease awarded in 2016. (b) (7)(F) is currently in the eighth year of the lease term, which expires 8/31/2026.

(b) (7)(F) has submitted their formal request for space and the accompanying special requirements package to GSA, indicating a need for approximately 17,000 ABOA square feet of space. Agency's special requirements for the space include:

- 60 Surface/Reserved Parking Spaces
- Offered space must be contiguous.
- Ground Floor Space Only

(b) (7)(F)

There is no suitable, federally controlled space to house this requirement.

2. Delineated Area.

GSA posted a pre-solicitation notice on the SAM Contract Opportunities website (SAM) on October 13, 2022, with expressions of interest due on November 4, 2022. Following Final Proposal Revisions, the project was put on hold due to a lack of agency RWA funds. Once an RWA was received, the solicitation notice in SAM was reposted on August 9th, with Final Proposal Revisions due August 23rd. No additional offers were received. The delineated area was defined within the following boundaries:
