determination recorded on GSA Form 4002, any environmental assessment, and any documentation supporting the level of review selected.

\* The floodplain and wetlands review records for the property, including any eight-step floodplain analysis, floodplain memorandum, and related FEMA flood-zone determination.

\* The Design Intent Drawing (DID) workshop agenda and materials, and records sufficient to show the project's pricing and budget, including the tenant improvement allowance, the building specific amortized capital allowance, and any estimate of buildout costs above the standard allowance.

\* The facility security level determination for the project and any Interagency Security Committee risk assessment or physical security requirements associated with it.

\* The market survey, the records of expressions of interest and offers received, and records sufficient to identify the property or properties evaluated for this action.

You provided a search date range of 01/01/2024 through 07/01/2026.

Your request for expedited processing is denied. Your request has been assigned to the Simple track. GSA has twenty (20) business days in which to respond (excluding weekends and federal holidays); however we may not be able to issue a response within this time period. In certain circumstances, GSA may take an extension and will advise you. To the greatest extent practicable, GSA responds to FOIA requests by order of receipt.

You have been categorized as a News Media requester, which means you will not be charged for search or review time and you are entitled to the first 100 pages of duplication for free. You have agreed to pay \$25.00 to process your request.

If your request is subject to fees, you will be given an estimate of the costs and further instructions. All estimates are developed in good faith and are based on our reasonable judgment. You will be notified of fees, time frames, and any other issues prior to and throughout the process.

You may access your original request and review the status at GSA's Public Access Link (<https://securefoia.gsa.gov>).

If you have any questions or concerns, you may contact our Office at 1-855-675-FOIA or by email at [gsa.foia@gsa.gov](mailto:gsa.foia@gsa.gov).

Sincerely,
